

KM7 Production

Know-how cultivated through extensive production experience

Since the launch of our business, KM7Production has received orders from more than 600 clients nationwide, mainly in the fields of video, animation, and graphic design. In recent years, we have continued to take on challenges in a variety of fields, including domestic and international, next-generation video, animation, next-generation motion graphic design, and 2D and 3DCG.

We are committed to renewing and operating the latest top-level editing equipment to handle a wide range of project content, and to providing high-quality, speedy proposals that match your budget with our more than 19 years of experience.

※Please feel free to consult with us about filming and other services.
